The Lenten season; such an inspiration!

The campus is assuming a contemplative posture, as classes experience a school-wide, traditional Saint Ignatius Retreat based on: "My Path To Heaven: A Young Person's Guide to the Faith" by Geoffrey Bliss, S.J.

Our students' introspective talents shine brightly during the Lenten season; such an inspiration! The Saint Patrick's Day Celebration will be a campus break in reflection for all who would like to attend the green festivity.

Thank you for the overwhelming response to Saint John Vianney Academy's, [Sal Terrae Club](#). Preserving our heritage for only \$25 a month has proven a successful endeavor! Please feel free to share the Salt of the Earth Club membership with everyone. Saint John Vianney Academy has been blessed by God, our members, and the community. Thank you for sharing your time, talents, prayers, and efforts for future generations of Catholics, Classicists, and American citizens.

The background of the entire image is a dark brown wooden plank wall. Two strings of warm white incandescent string lights are draped across the top half of the image, creating a warm, rustic atmosphere.
