**It is always springtime in the heart that loves God- St. John Vianney**

Jesus is Risen! Enjoying the slower pace and time spent as a family during COVID has been fruitful. Looking back; our wonderful faculty and families are a strong community, providing continuation of Catholic, classical education. Here we are, a year later, rejoice!

SJVA families are a resilient bunch; being able to switch gears at any time-and an inspiration for all. As an extension of the home, Saint John Vianney Academy is committed to fulfill the mission of support for parents as the primary educators for their children. I am so grateful to witness the perseverance and determination of all who support Saint John Vianney Academy. Thank you so very much for all you do!
