

ST. JOHN VIANNEY ACADEMY

Homeschooling Enrichment Program

The Saint John Vianney Academy is a classical educational program for grades Pre-K thru 12, founded by lay Catholics to assist families in the fulfillment of their primary responsibility for educating their children. This program supports the homeschooling family by providing a classical curriculum, resources to help the homeschooling parent, and providing two enrichment days where professional staff lead conversation and lessons further expanding on the curriculum.

Enrichment Days

Tuesdays and Thursday of the Program Year

Enrichment Studies

- Choir
- Art
- Math
- Science
- History
- Literature
- Latin

St. John Vianney Academy is not a school, does not issue grades, or oversee the academic progress of the students as it is a homeschool support program.
