

Founded by lay Catholics, Saint John Vianney Academy is a classical educational program, serving grades Pre-K thru 12, designed to assist families in the fulfillment of their primary responsibility of educating their children. We form students in faith, reason, and virtue through a classical education, sharing the truths of our Holy Catholic Church with young souls.

We are now accepting applications for our homeschool hybrid program, grades pre-k through 8!

Do you know someone who desires more for their children other than the modern public-school setting? Has your child lost their love of learning? This is very common in today's education. Classical education, tried and true for hundreds of years, works with the child's natural abilities at the appropriate developmental stage, thereby fostering their natural love for learning. We are not a workbook factory. We employ memorization, recitation, hands-on activities and the Socratic Method.

Is it becoming increasingly difficult for your children to find like-minded friends who share your faith and values? Do your children feel isolated because of they are practicing Catholics? SJVA provides a safe environment where students feel comfortable to express their piety, devotion and love of their faith. The students at SJVA enjoy a family environment where the youngest to the oldest socialize together, naturally at lunch and recess, on the swings, on the soccer field, over board games, etc.

Do you find yourself having to reteach history to your children so that it includes the truth about the Catholic contribution to civilization? Our curriculum is carefully and thoughtfully chosen so that it does not undermine the Catholic faith. The curriculum is not watered down and treats children with dignity. It emphasizes truth, beauty and elevates the mind and soul.

Would you like a structured prayer schedule in the classroom? At SJVA we pray throughout the day: 8:45 AM Holy Spirit Prayer, 10:30 AM St. Michael the Archangel Prayer, 12:00 PM Angelus, Examination of Conscience, & Act of Contrition, 1:45 PM Our Father, 2:40 PM Divine Mercy.

Would your children enjoy a class where saints and feast days are celebrated with joy, creativity and fun? That is the culture of SJVA. (Check out our Facebook page to see sample student projects.)

Are you overwhelmed with your current homeschooling? Or does homeschooling seem an overwhelming prospect to you? At SJVA we design the syllabus and lesson plans to make homeschooling easier at home. We are on a 4-day week, Mondays and Wednesdays at home, Tuesdays and Thursdays on campus. By following the SJVA created syllabus, students know exactly what to complete at home and become more independent in their education. Parents know exactly what will be completed at school on Tuesdays and Thursdays.

Would you like teachers that share your values and love of the Catholic faith? All SJVA teachers are practicing Catholics with a heart for Christ.

If you are already homeschooling, is it difficult to complete Science, History or Art? You are not alone. SJVA takes care of the science experiments, History and Art, so you don't have to worry about it. We have many hands-on activities and projects to support the lessons.

If I am homeschooling through the St. John Vianney Program, how do I enroll my child through the state of California?

St. John Vianney Academy is a program supporting homeschooling families. St. John Vianney staff will educate parents on how to file a private school affidavit through the State of California.
