

ST. JOHN VIANNEY ACADEMY

Dear SJVA Friends & Supporters,

St. John Vianney Academy would like to announce our 4th annual **Jog-a-thon** fundraiser to be held on **Saturday, November 04, 2023**. We are a 501(c)(3) nonprofit Catholic, classical, hybrid homeschooling program.

The mission of St. John Vianney Academy is to foster within our students, growth in the theological, intellectual, and moral virtues; while supporting parents as the primary and principal educators of their children. The Jog-a-thon is an important event for our little school, helping to bring our mission to fulfillment by enabling us to operate and serve our community. Proceeds will help keep our tuition affordable for all families who wish to participate in the program. Because we rely greatly on the generous support and donations from our community, we hope that you will join us as a sponsor!

We are seeking business sponsors and donations for our event (and prize incentives for the kids!) Your donation is 100% tax deductible.

For \$500 your business logo will not only be displayed on our refreshment tables at the event itself, but also posted on our website, on the home page, as a “Thank you for your support” sponsor for the remainder of the school year!

Thank you for all you give to help make our school great!

With gratitude,

Teresa Grimm – Program Director
