

WHAT IS CLASSICAL EDUCATION?

IN CLASSICAL EDUCATION, WE OBSERVE THAT THE CREATOR IS A GOD OF ORDER AND INTENTION. THROUGH MATH, SCIENCE, LANGUAGES, MUSIC, AND THE FINE ARTS STUDENTS DISCOVER THE REFLECTION AND BEAUTY OF THE CREATED WORLD AND UNIVERSE.

WHO IS ST. JOHN VIANNEY ACADEMY?

At St. John Vianney Academy, we are a homeschool enrichment program that strives to empower children by giving them the gifts of faith, reason, and virtue. We believe this is best done by working alongside parents to implement the classical method of education. The beauty of this is that children learn how to think, and not what to think. Our teachers are trained to approach learning by recognizing that there are natural and progressive stages in child development. Our children will understand how to apply the tools of learning to any subject -mastering new information in sometimes half the time of their peers. This develops confidence and ultimately, this creates a life-long desire and love for learning.

“Be kind to one another, compassionate, forgiving one another as God has forgiven you in Christ” (Ephesians 4:32).SJVA provides a rich environment that forms good conscience and a moral compass through the virtues. Our teachers are not only classically trained, but also, are themselves, people of the Catholic faith. They themselves are seekers of truth, virtue, and joy. Our community supports families as God intended. With this strong foundation, our children are on the path to becoming responsible adults with passion and ability for glorifying our Creator.
