“Every habit we have formed has had it’s initial idea, and every idea we receive is able to initiate a habit of thought and of action.”

Mission

Saint John Vianney Academy is a classical educational program for grades Pre-8, founded by lay Catholics to assist families in their fulfillment of their primary responsibility for educating their children. We seek to form students in faith, reason, and virtue through a classical education as the truths of our Holy Catholic Church are shared with young souls.

THE GOOD

Saint John Vianney Academy is authentic in Catholic principles and strives to assist parents in their noble task of teaching and sanctifying their children.

THE TRUE

The curriculum and daily routine aim at forming young minds and hearts, that is, to seek and love the divine truth in both creation and revelation through a classical education in the Roman Catholic tradition.

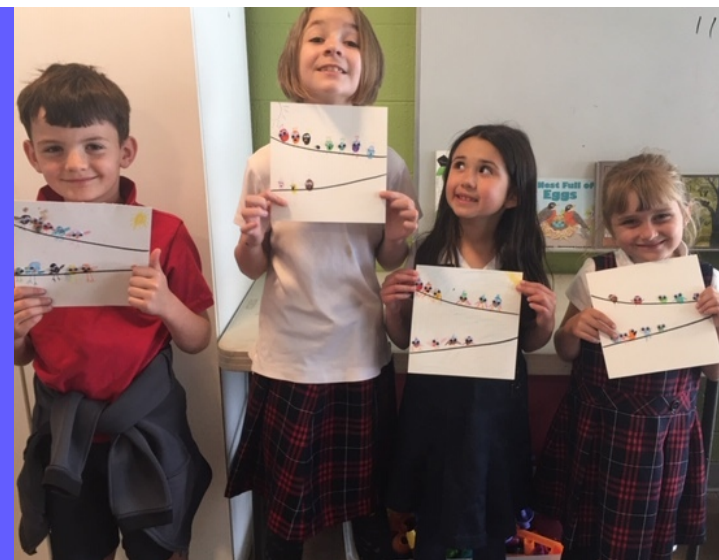

THE BEAUTIFUL

Our program introduces young minds to classical literature and the liberal arts in order that students will have a lifelong love of learning.

Truth enlightens man's intelligence and shapes his freedom, leading him to know and love the Lord. Hence the Psalmist prays: 'Let the light of your face shine on us, O Lord'

- St John Paul II

1

Hybrid Model

Students spend two days per week on campus (T/TH), receiving professional instruction in all core subjects and fine arts. The other days of the week, students study at home under the supervision of a parent, using the SJVA grade appropriate syllabus as a guide.

On Wednesdays, we offer supplemental tutoring and enrichment classes in the afternoons, such as Irish Dance and Fun with French.

3

Sursum Corda

Prayer is an important feature of our daily schedule - The Holy Spirit Prayer in the morning, The Angeles at noon, and the Divine Mercy Chaplet in the afternoon. Preparations for the Sacraments of Confession and First Holy Communion are given as well. We hope to resume Mass in the morning and monthly Confessions as soon as we are able!
